To whom it may concern:

We here at Festival Park have just finished a week of wonderful performances by a most gifted artist, Paul Miller of Flow Circus. He managed with his one-man show "Just Paul" to thoroughly engage and entertain four sold out houses here at the park.

Paul has not only the technical skills of a seasoned juggler and magician but also a wonderful sense of comedic and performance timing that brings the audience totally into the performance as if they were an integral part of a rehearsed act.

I would certainly recommend Paul for an engagement at any children/family-oriented function. I welcome any presenter or booking agent getting in touch with me for a more detailed recommendation. You may contact me at 252-475-1500 ext. 229 or
