

THE DEEP★MAGIC OF JOSHUA LOZOFF

Joshua's magic combines amazing illusions with mental feats that explore the possibilities of the human mind. He presents a **fun, mind-boggling performance that leaves audiences laughing and full of amazement.**

Joshua's show combines his love for the art of magic and his fascination with psychology, intuition and other "inner workings of the mind." In one moment, he magically solves a Rubik's Cube just by tossing it in the air, and in the next he predicts a volunteer's thoughts and choices even before she knows them herself!

In 2005, Joshua had the immense honor of being one of only two magicians to receive an invitation to perform at the World's Fair in Japan. He spent two weeks as a featured performer for the USA Pavilion, entertaining Fair visitors from around the globe.

Before turning his attention to the conjuring arts, Joshua was a professional actor, including a notable recurring role on the TV show **Cheers**, as Gino Tortelli, and Logan in the film **Clueless**. You can even see Joshua's martial arts prowess on display in **Teenage Mutant Ninja Turtles!**

Traveling around the world, Joshua studied with master magicians on several continents. He is a highly sought-after performer at corporate events and at colleges around the country, performing over 200 shows per year.

Joshua loves sharing his craft with people in every setting. And his love, respect and passion for magic come across in every performance. A few moments spent with Joshua can truly inspire, amaze and entertain.

"I only wish you had a choice beyond excellent! Each year we work with dozens of artists, performers and entertainers. Josh stands out in the crowd not only in terms of entertainment value but he's simply a great guy to work with. Thank you... thank you... thank you!"

– Dan Peters, Cottonwood Festival

"Our client was thrilled with Josh and commented to me that I got an 'A+' for finding him. We will certainly recommend him for future business."

– Whitney Stahl, Pinehurst Resort

"We have had nothing but gushing enthusiasm and converted unbelievers singing Joshua's praises since our holiday party. Everyone was open-mouthed in absolute awe throughout the evening, and it's neat to see the usual cynical types be so enthralled. Thank you for a wonderful evening of entertainment."

– Debbie Kenyon, The Parkside Group
