HUMOROUS ► INSIGHTFUL ► UNFORGETTABLE

General Session / Keynote (Main Presentation)

Title can be adjusted to align with your conference theme or goals.

Thriving Through Change: Manage Stress, Overcome Challenges, and Stay Motivated

Why do some people thrive while others struggle? In this fun and thought-provoking session, **renowned comedian and speaker** Larry Weaver shares research-based methods to manage stress, build resilience, and maintain a positive outlook—even in challenging times.

Through **laughter, relatable stories, and real-world takeaways**, you'll learn:

- ✓ How to increase **Energy** for improved health and wellness
- ✓ How to foster a stronger, more supportive **Team** culture
- ✓ How to cultivate the right **Attitude** to boost positivity

Expect a **refreshing mix of humor and practical advice** that will leave you energized, inspired, and ready to tackle anything that comes your way—both in and outside of the workplace.

Breakout Sessions (Optional Add-Ons)

Available as optional deep dive sessions following the main presentation.

1

Finding Balance: Strategies for Succeeding at Work and in Life

Workplace challenges are inevitable. In this interactive session, you'll gain effective tools to **prioritize self-care, accelerate professional development, and embrace optimism**. Through guided self-reflection, engaging discussions, and hands-on exercises, you'll learn actionable techniques to **enhance your well-being and performance**.

2

Speaking with Confidence: How to Connect, Engage, and Communicate Effectively

Whether you're leading a meeting, giving a presentation, or speaking one-on-one, confident communication is a game-changer. In this hands-on session, you'll learn how to **stay composed, project confidence, and connect with your listener** in any setting. Discover strategies to engage, inspire, and **communicate with impact**.
